Project Name	SHOPEZ : E-commerce Application
Maximum Marks	4 Marks

Brainstorm & Idea Prioritization Template:

Brainstorming provides a free and open environment that encourages everyone within a team to participate in the creative thinking process that leads to problem solving. Prioritizing volume over value, out-of-the-box ideas are welcome and built upon, and all participants are encouraged to collaborate, helping each other develop a rich amount of creative solutions.

Use this template in your own brainstorming sessions so your team can unleash their imagination and start shaping concepts even if you're not sitting in the same room.

Step-1: Team Gathering, Collaboration and Select the Problem Statement

Selected Problem Statement:

Customers often spend a lot of time searching, comparing, and purchasing products from different stores. There is a need for a simple online platform that allows users to browse products, compare prices, and purchase products conveniently.

Step-2: Brainstorm, Idea Listing and Grouping
